This 3 bed, 2.5 brick home is super convenient to I-20 and walking distance to the future Enota Park, one of the Atlanta BeltLine's projected parks. With a new renovation sporting granite counters, hardwood floors, energy saving upgrades, and a location in historic Westview (which pre-dates the renovation, of course), this home has a LOT to offer for only \$99,000! However, one of my favorite perks to this house is the potential for up to \$49,980 in home buyer subsidies available.

This all brick home at 409 Inman Street is a complete renovation just waiting for you to move in!

This home at 409 Inman Street will also be held open in conjunction with our Committed to Communities event on May 7, 2011.

This walking tour of homes for sale in Adair Park and Westview will include a neighborhood BBQ at 1052 Allene Avenue across from the Atlanta BeltLine in Adair Park and open houses from 10 a.m. – 2 p.m. Full details on the [Committed to Communities website here!](#) And, after you've toured our homes, be sure to check out [West Fest \(the West End Festival\)](#) in Gordon White Park!! Events will be going on from Thursday through Sunday.
